RE: Chem-Nuclear Systems, LLC, a Subsidiary of EnergySolutions Company Request
Authorization to Change Accounting Systems from Oracle to SAP
Docket No. 2020-40-A

Dear Ms. Boyd:

The Office of Regulatory Staff provides this update in response to the request of Commission Senior Counsel David Butler. As stated in Chem-Nuclear Systems, LLC's letter dated July 21, 2020, Chem-Nuclear's implementation of SAP has been delayed and has not yet occurred. Once Chem-Nuclear has implemented the SAP accounting system, ORS plans to provide the Commission with an estimated timeline for reviewing the accuracy of the SAP records and reporting to the Commission.

Sincerely,

/s/Alex Knowles

Alexander W. Knowles
